Accessibility/Mobility

As an historic property, we have limited accessibility for those who find stairs difficult. Wheelchairs are welcome in the house, but the occupant will need to be able to climb the small flight of seven steps to access the Great Hall and a further five steps to enjoy the state rooms. Please let us know if anyone in your group has any mobility issues and we can further explain our accessibility.

Travel

If you are travelling by coach, we have free coach parking for groups visiting the house and gardens, bookable in advance. There is a large carpark on site that is free, with disabled spaces.
