

Syon in Seven objects

With Carla Malcolm

Wednesday, 10th October
2.00pm

The name says it all...come and learn about Syon through seven objects.

This is a great opportunity to learn about Syon from a different angle. These will be unusual objects and ones that most visitors walk past but come and learn their fascinating stories.

You'll learn about an excavated Abbey find, a forgotten House, a Waterman to Kings and Queens, an influential book, a vase, a chair and an Architect.
