Syon House is available for evening dinners all year round – and the Great Conservatory only in the spring and summer months April to mid-October. Parkland Events, Large Events and Teambuilding Events:

From time to time for very special events, it is possible to hire the larger open green spaces – the Lime Avenue, The Helicopter Field (around 13,000 square metres), the Twenty Acre/Farmer's field (approximately 100,000 square metres), the enclosed Wilderness or the South Lawn. Some of these areas have hard standing and good access to water, although none have power. These areas are suitable for grand balls, exhibitions/trade shows, conferences, fashion shows, teambuilding and other events – but not usually for weddings, concerts and the like. We like well-managed, creative events – and we are definitely open to interesting ideas. Every event is considered on its own merits, and facility fees are calculated on an individual basis.

Other Notes:

- Ceremonies are subject to Registrar availability. Couples must make all arrangements directly themselves and pay any fees due to the Register Office at Hounslow Council.
- Prices are for venue hire only and do not include catering (*other than breakfast in the Duke's Family Apartments*), flowers, music, registrar fees and so on.
- Clients are required to choose caterers and lighting contractors from Syon Park's approved list. No other catering or lighting suppliers are permitted.
- Venue hire fees include time for setting-up and breaking-down. Additional time may incur additional costs.
- Syon Park's Gardens (in which the Great Conservatory sits) are open to the public every day from 10.30am to 5pm, and the Great Conservatory is only offered for evening events. Syon House is open from 11am to 5pm on Sundays, Wednesdays, Thursdays and Bank Holidays too – and where access is given to clients on these days, it is not sole access.
- Clients are required to show proof of public liability insurance cover. For weddings clients must show five million pounds public liability insurance. For other events, higher levels of cover may be required.
